I liked this one!

None. Very nice job!

carla you did a great job preparing and clarifying this for us!

Smaller groups would allow for things to be completed with less distractions.

Keep this up! It is streamlined and I feel very productive thanks to Carla's preparation. Much appreciated.

More timely data. It seems like we were supposed to have the CAASP results over the summer?

What are the ultimate outcomes? What will the end product be?

Provide more charts rather than percentage charts.

A little more time
